PROFESSIONAL PROFILE

Adaptable, results-driven professional with hands-on experience across front-end web development, digital marketing, and sales. Combines technical implementation (HTML, CSS, JavaScript, React) with marketing insight and a customer-first approach to deliver measurable, user-focused outcomes. Picks up new tools quickly and works well independently or as part of a team.

WORK EXPERIENCE

Front-end Developer

Front-end Development, Web Maintenance & Marketing Support

Jan 2026 – Present · 8 mos

Always Infinite

- Build and implement responsive, user-facing web pages and features using HTML5, CSS3, JavaScript, and React, translating design mockups into clean, functional code.
- Maintain and update existing company websites, ensuring strong performance, cross-browser compatibility, and accurate, up-to-date content.
- Collaborate with design and marketing colleagues to align new builds with brand guidelines and campaign requirements.
- Support digital marketing efforts by developing landing pages and helping implement on-page SEO and tracking improvements.
- Use Git/GitHub for version control and take part in code reviews to maintain consistent code quality.
- Identify and debug UI issues to improve site usability and the overall user experience.

Freelance Digital Marketing Consultant

Digital Strategy, Paid Ads & Client Campaign Management

Dec 2024 – Dec 2025 · 1 yr 1 mo

Self-employed

- Developed and implemented digital marketing strategies tailored to individual client goals and audiences.
- Managed and grew client social media accounts through engaging, on-brand content.
- Planned, ran, and optimised paid advertising campaigns across multiple platforms.
- Conducted SEO, content marketing, and keyword optimisation to improve organic visibility.
- Produced analytics and performance reports with clear, actionable recommendations.
- Built and maintained strong client relationships while independently managing a freelance workload.

Sales and Customer Service Consultant

Jul 2023 – Nov 2024 · 1 yr 5 mos

Africa Alert

- Engaged with customers to identify needs and recommend suitable products and solutions.
- Met or exceeded sales targets through effective upselling and cross-selling.
- Built strong customer relationships that encouraged repeat business.
- Delivered professional customer service and resolved complaints efficiently and effectively.
- Ensured consistent compliance with company standards, contributing to a positive customer experience.

Marketing & Sales Agent

Feb 2023 – Jun 2023 · 5 mos

Midrand Motorcycles

- Identified and approached potential clients through cold calling and networking.
- Followed up on leads and converted prospects into paying customers.
- Presented products and services, clearly explaining features and benefits.
- Negotiated terms and finalised sales agreements.
- Conducted market research and supported marketing campaigns as a brand ambassador.
- Maintained CRM systems and prepared quotations and proposals.
